# Task #1 (3/4)

How to associate your Orange and Deezer accounts

6. Enter your **mobile number**. Click on **Continue**

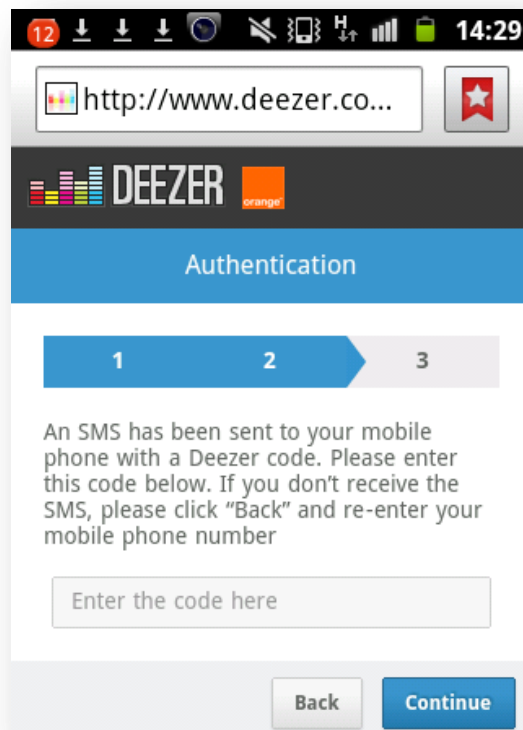

7. Deezer sends you an SMS with a **4 digit secret code**

Your Deezer code is:  
1615. Type this code  
into the space  
provided on the  
Deezer site.

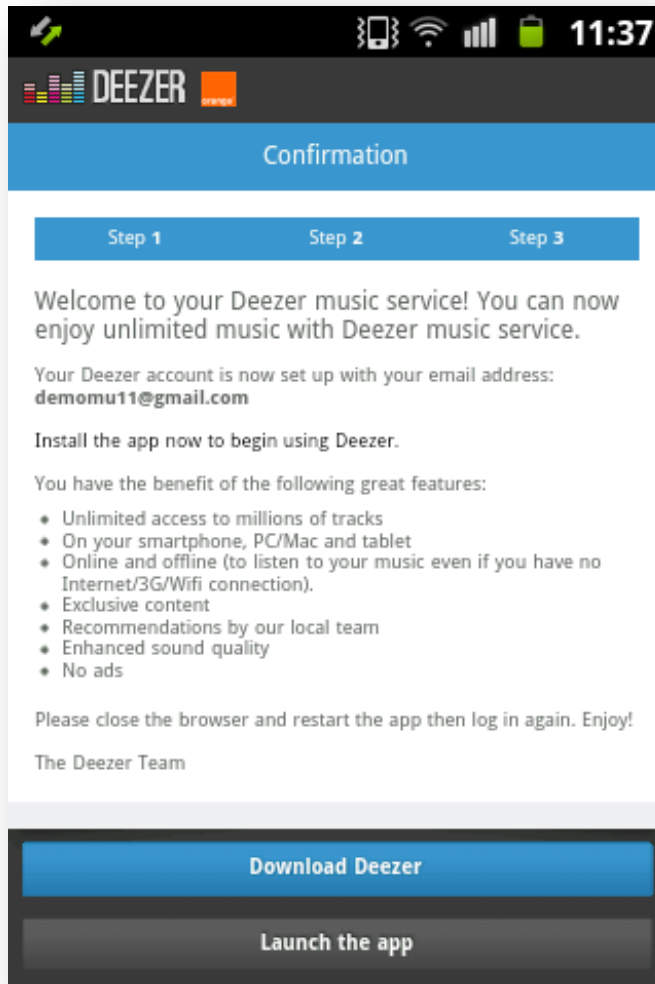

8. Enter the **secret code** sent by Deezer. Click on **Continue**

# Task #1 (4/4)

How to associate your Orange and Deezer accounts

You have a confirmation that your Orange account has been **successfully associated with your Deezer account**

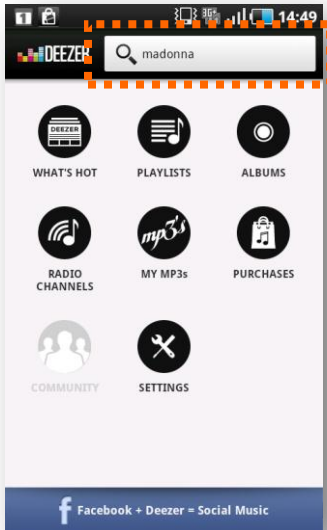

9. Download and install **Deezer app** from your App Store, Play Store or Windows Store

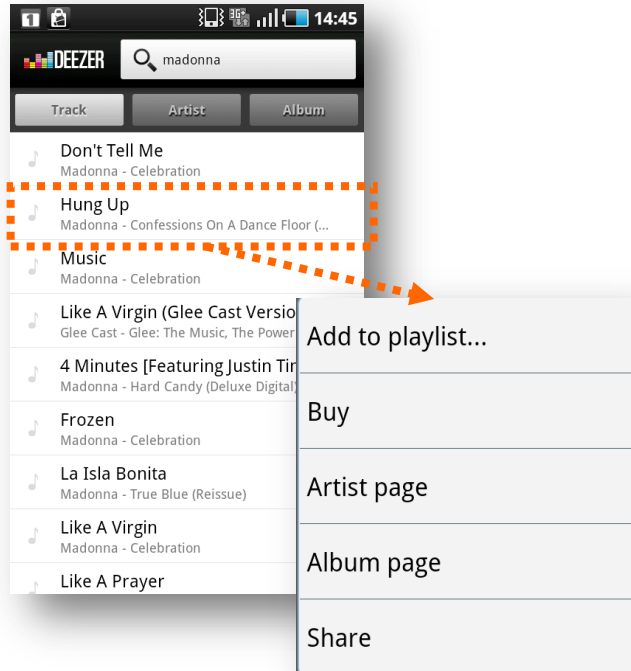

# Task #2

Create and add tracks to a playlist

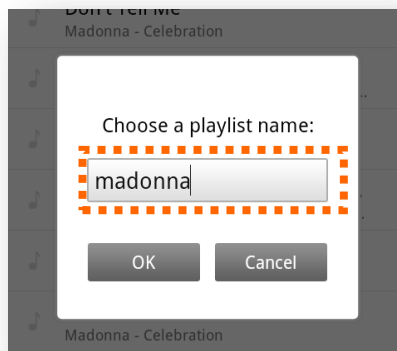

1. In the search menu, enter the name of an artist or a track

2. Select a track and click on « add to a playlist »

3. Now create a **new playlist** or add the track to an existing playlist. Click on **OK**, your track has been added to your new playlist called **Madonna**

Create and add tracks to a playlist

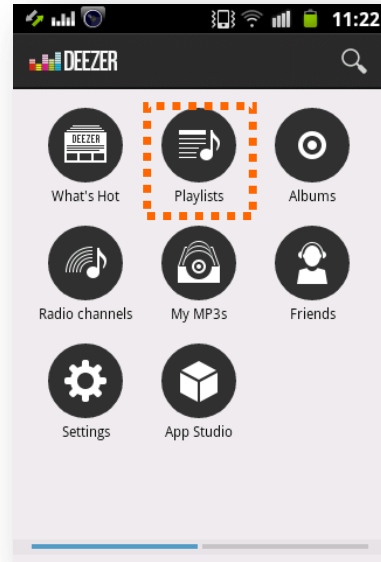

# Task #3

## Synchronize your playlists

To listen to your playlists anywhere, anytime, without any 3G or Wi-Fi connection, you need to synchronize your playlists

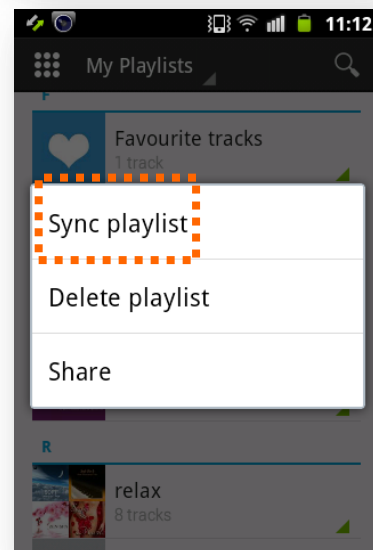

1. From the menu, click on **Playlists** to access your playlists

2. To ensure a quicker synchro, please connect into Wi-Fi before doing the synchro

click on **Sync playlist** to synchronize

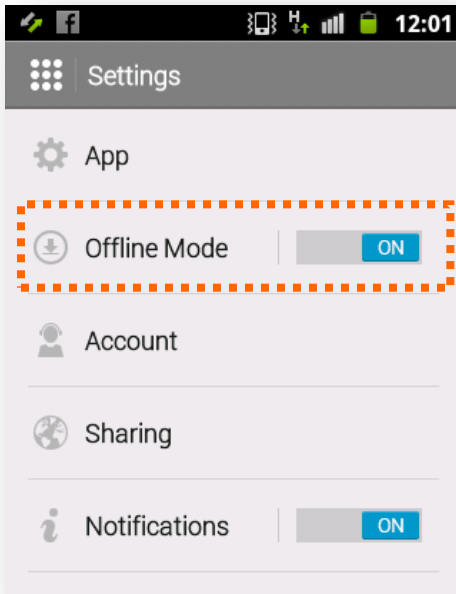

Download starts

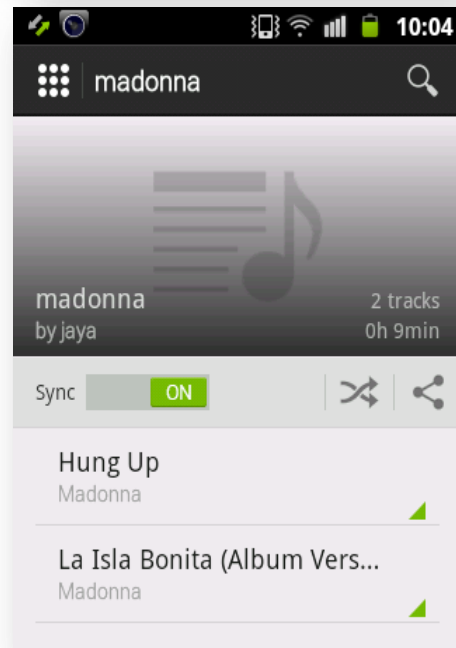

# Task #4

Offline mode

With the **offline mode**, you can listen to your playlists and albums without any 3G or Wi-Fi connection

1. Go on **Settings** and select **Offline mode**

2. Select one synchronized playlist and start to listen to it

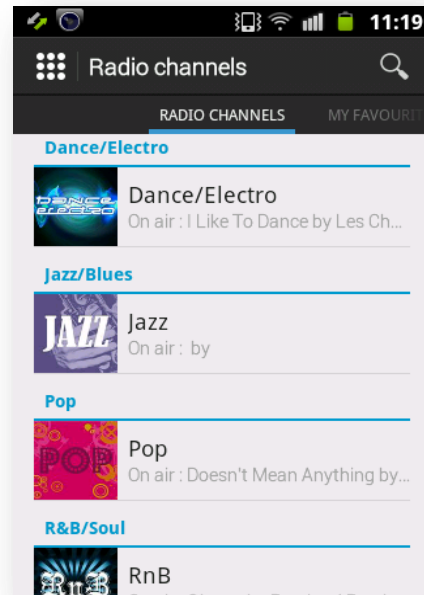

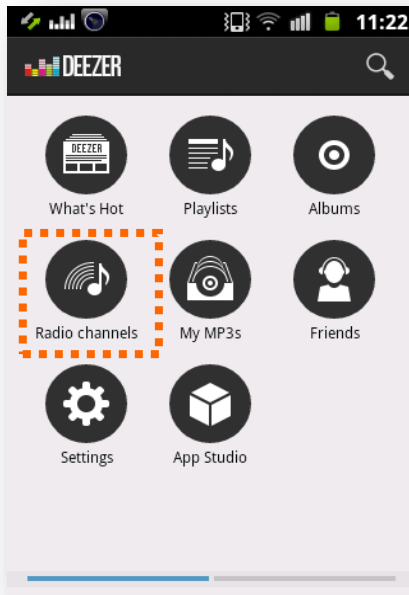

Only the playlists and albums that have been synchronized can be listened to in **offline mode**

Listen on offline mode

# Task #5

Listen to a radio

You can listen to any Deezer radio amongst tens of radios classified by genre (themed radios) and artist (artist radios)

To listen to an **Artist radio**, enter the name of an artist (for e.g U2) in the search window

A song from U2 is launched and other songs of artists of the same genre will be launched

You can skip 5 tracks by hour. All Deezer radios are without advertising, just pure music!
